Four Points by Sheraton Tempe

1333 Rural Rd

Tempe, AZ 85281

(480) 968-3451

For anyone coming to Arizona, or from out of town, we have a special rate with the Four Points Sheraton hotel (\$115/night) that is across the street from the university. The manager is Connie Smith. You just need to ask for the ASU rate and mention you are with the School of Life Sciences (connie.smith@fourpointstempe.com Phone: 480-968-3451). I think there is also an airport shuttle for the hotel.

Main airport for the Phoenix area is:

Phoenix Sky Harbor International Airport

3400 E Sky Harbor Blvd, Phoenix, AZ 85034

Travel Directions from the airport to ASU:

Exit onto the 202 heading east and take the Scottsdale Rd exit and turn right. The street name changes to Rural road heading south. To park closest to the Memorial Union at ASU you will need to take a right on Apache Blvd then a right on Normal Road and turn into the parking garage. There should be an area that specifies visitor parking. If you are heading to the Four Points Hotel it is just past Apache Blvd on the left.

Travel Directions from I-10 to ASU:

Off of I-10, take the I-60 exit heading east for about 2 miles then take the Rural Road exit and turn left heading north for about 3 miles. The Four Points Hotel is off this road on the right, across from the university, or to park at the university take a left at Apache Blvd then a right on Normal Road and turn into the parking garage. There should be an area that specifies visitor parking.
